“ *I was so sorry to read about Joyce. I can remember her even back at Cameron Grade School where she was in my older brothers class. She was always so sweet and kind.##imported-begin##Charlene Howe Gilliam##imported-end##*

“ *Please accept my deepest sympathies for your loss. There is a void that cannot be replace. The life insurance we buy is really preparation for death. But the life insurance Jehovah God offers is the destroying of death itself and all the things we can think of that causes it. He will do this through His Kingdom that His Son Jesus Christ is King of. We can gain comfort now through the Bible. And in the very near future we will hold our love ones again. We all will live happy healthy lives forever in exquisite delight and in an abundance of peace here on earth.##imported-begin##Marquell##imported-end##*

“ I am deeply sorry to hear that Joyce has passed away. She worked in my class at Theodore Roosevelt as a para-educator. On many occasions, when I am teaching, I think of her and how she contributed to my classroom. I remember her bringing in items from home to help with our lessons. She had a lot of knowledge to share. My students and myself were blessed to have spent the time we did with her.

She was one of the most patient and kind persons that I have ever met. She often spoke of her Oklahoma roots. She was so very proud of her family!

I will miss her greatly but have comfort that she is with her savior. Her faith was always her backbone. My prayers are with you all.

“ We are so sorry to hear about Joyce passing away. She was the para for our son, Joshua. He will miss her greatly. He was very concerned for her when I told him that she was in the hospital and has included her in his prayers every night. We will continue to include the family in our prayers.###imported-begin###Craig, Angela and Joshua Kohls###imported-end##
