“ *Smithy was such a wonderful woman. I will miss my great Aunt greatly. As a child, I spend many holidays with her and Ernie. Those are fond memories. As an adult, I loved spending time with her, talking about the past and our ancestors. She was a wealth of information and inspired me to research and appreciate genealogy. As much as she will be missed, I know she is catching up with others who have passed on and she is happy. My family will miss you, Smithy.*

“ *I met Juanita at one of the Smith family reunions over twelve years ago. She was always willing to share her family history with others and helped the Smith family research a great deal. I was another recipient of the packets that Juanita would send by mail to share her research. It was wonderful to open the unexpected packets and see the information that she had discovered.*

I will miss our telephone conversations very much. We would call each other to discuss family research and any new discoveries. She was someone that I was proud to call cousin and friend.

Juanita touched the lives of a lot of people and she will really be missed.

“ *"Smithy" was a special lady. We met her several years ago when she came to Jon & Kristi Herd's with Tom Caldwell. After Tom's death she continued to come for birthdays, Fourth of July, and other celebrations. She was always a joy to be with. We will miss her.*

“ *It is with regret and sorrow that I never had the opportunity to meet or greet Ms Warriner. For the past 10 years or so Juanita and I exchange e-mails*

often regarding our Smith genealogy. She was pleased to know that her heritage extends back to the mid 1700's in Amherst County Virginia. She was so dedicated to researching and documenting the history of her Smith families. Although she had hopes of visiting the home place of her early Smith and Whitehead families, I am sorry she never had the opportunity to do so. RIP Cousin Juanita. Cousin Bucky Harris, Staunton,

“ I met Juanita at one of the Smith reunions in Longview. She was so quite but when she spoke you knew that she was a very intelligent, thoughtful, person. I admired her dedication to researching our common ancestors.

Juanita surprised me several times by sending me little packages in the mail with the most wonderful copies of documents tucked inside from her research. She was so thoughtful to share her research so generously with all in the family.

Juanita will truly be missed by all of those who were lucky enough to have known her.

“ Dear Ino Jean, Buddy, Louise and families,

Though long in years, it was a shock to learn of Juanita's terminal hospitalization. Our lives first touched in the 1980s. She placed a query in the Arkansas Historian concerning her Smith family. I knew when I read her query that she was an unknown Smith family cousin. My grandmother Nancy Smith Tucker was a daughter of John Jackson Smith and his wife, Lucinda Heatly. Juanita descended from Elias Birchfield Smith, a son of John Jackson and Lucinda. Elias married his first cousin, Permelia Ware Osborne.

Juanita was in contact with cousin Anita Jones Adler who descends from Dr. Ephraim Brevard Osborne who married Nancy Smith, an aunt of Elias Birchfield. Juanita, Anita, and myself subsequently spent several enjoyable years as a trio of Smith Family researchers. Juanita visited Kathryn and I several times here in Arkansas. The highlight of our Smith year was our getting together for three days at our annual Smith family reunion. We last talked this past Thanksgiving

It was a great happening when Juanita came into my life. She was a wonderful, strong willed, independent lady of the old school and a loved cousin. She always wanted to give and share. On perhaps her first visit, we visited the Rowell Cemetery at Center Church in Cleveland County. Many of our Smith family are buried there. She tried to give me twenty-dollars for gas money. I refused it. About two weeks later, I discovered a neatly folded twenty-dollar bill tucked into the console of my car.

Juanita, I am already missing you.

Our love to all,

The Tuckers, Bill and Kathryn
