“ *Judy and I shared our childhood together as neighbors, graduated together and re-connected at a reunion and I really enjoyed visiting with her on FB messenger. My heart went out to her in the illness and loss of her beloved husband, then a son. She remained steadfast in her love for the Lord, as she looked to Him through the valleys. This sweet woman now has perfect health and was welcomed into heaven by her loved ones. Prayers for the family through this sad season of losses.*
