“ *I met Judy when I taught at the Intermediate School. She was such a help to me and to all the teachers. Judy was always willing to lend a hand wherever needed. We became good friends and she would talk about her family with love. Over the years we lost touch, but I still have fond memories of our time together at the Intermediate School. Thoughts and prayers are with you all. Karen Hunt*

“ Judy, you were an amazing woman who raised an amazing daughter. You were tough and tender all at the same time. I used to love saying "Judy Judy Judy" because I would get the evil eye every time. I know this is not good bye forever only for a short time. My thoughts and prayers are with your family and friends as they face the days ahead with you gone.

So sorry to hear of Judy's passing. I have fond memories of her and her family as she was growing into a fine young lady. My husband and I had the privilege of knowing her family when we were the pastors of the church they attended. A very nice family indeed. Sue Boyd Sims
