“ *Dear Tracy and family,*

Julia was a dear friend and a wonderful lady who I came to know when she was a sub teacher at Valley View. We visited many times in later years. She was a wonderful lady and so dedicated to her profession and family. Heaven is much brighter today with her in charge of spelling and math. May God comfort each of you in your loss.

“ *Julia was not only my cousin but taught various subjects when I was in mid-school at Milburn. I remember her as being very upbeat and cheerful and she had a very nice laugh. She was courageous and easy going and I thought a lot of her. She was a great lady! My sympathy and love goes to Eloise, Judy and George!##imported-begin##Larry Rowland##imported-end##*
