“ *Thresa,
So sorry to hear about JW. Wish I was there to give you a hug and help out in some way. But, since I am so far away, I hope just knowing that I am certainly thinking and praying for you and the family, will help a bit. I usually check the paper on line every now and then just to see how things are and found this out. Again, I am so sorry for your loss and hope you'll write if you need an old friend!
Love ya, girl!
