“ *My sincere sympathies for the loss of Kathy. Our lives are touch by the generous gift of our precious fur baby she gave us. Our dog formerly known as Sugg, now Winston, has changed our life for the better. It reflects the generosity I felt as we met face to face. Such kindness speaks volumes about her and her family.*

“ Our hearts are breaking. We can't express enough words to show our heartfelt sympathy. We lived in Tishomingo from 1977 to 1982. Some of our favorite memories are those spent with the Ozment family, at church, shared meals and fellowship events. One of the great joys of being a part of the Lord's family is spending time with one another.

The Kathy we remember is the sweet little girl that had the strength to get through many, many hospital stays as a result of asthma. Kathy's strength & sweet heart will forever be embedded in our minds.

Please know that your family is in our prayers & will continue to be as you move forward. We pray that you will feel the comfort and strength that only God can give you during this time. If we can help in any other way, do not hesitate to let us know.

With all our love,

The Hord Family
