“ *The only time a goodbye is painful is when you know that you'll never say hello again 💔
My mind is full of memories growing up!
They say there is a reason
They say that time will heal
But you left so suddenly that I didn't get to tell you goodbye! You were always my Wyatt Earp, you would laugh when I told you that you were born in the wrong time..
I will miss you dearly big brother
Love Sissy ❤️💕*

“ Kelvin was one of the kindest guys I've ever known. He was always joking around to make people happy. I love that about him 💙 He made it obvious how much he loved his family and how proud they made him. I'll be missing his funny comments on my fb posts that always made me laugh...But I'll look to Heaven and smile when I think of him because I know he's happy and at peace. I love you sweet cousin 💙

“ Brother... it's not going to be the same without you. Hardest thing was walking into your home and you didn't walk out to say hey. I'm going to miss that smile of yours as you grab your chin and say "yeah" with your lil laugh. I tried drinking a Dr. Pepper with lemons to say cheers to you, but sorry you're on your own there (nasty)!! I know you're fishing with Gary so take care of him for me. Give momma the biggest hug and kiss One day we'll be the famous six again so until then. I love you forever 💕💕

“ To my big brother. I will always cherish you. You have always been there for all of us. Watching over us as we grew up. Thru the years we have all become closer. And our hearts break because you left us to soon. But we all know your in heavens gates watching over us with those beautiful wings. I no one day I'll see you again. Tell everyone hi and give them all hugs for me. Big brother I love you so much and will you alot. Until we meet again at heavens gates. Fly free Kelvin

“ Kelvin was a tough and rough guy. He and the rest of my cousins, and bro, all made sure that everyone of us girls would be too. I will miss the most his smile and laugh. His love and loyalty to his wife, and family is what spoke volumes about him without ever needing to say a word. Truly the memories of his half grin along with the laugh will always bring a smile to my heart. When we meet again, you can still expect me to tighten my shoulder in anticipation of your shoulder punch.
