“ Kenneth was like a grandfather to me when we moved to Sulphur in 1976. Just children, he and his wife Louise took my sister Tamra and I under their wings, and treated us like family. They made us feel right at home in Sulphur. I have nothing but fond memories and and a special place in my heart for both of them. I was truly saddened to hear of Kenneth passing away, but immediately reminded that he has achieved his rewards in Heaven!(PTL) Our prayers are with the entire family!##imported-begin##Jeff Harmon##imported-end##
