“ *I remember riding with you to Tulsa to pick up Kayla when I was a young kid. It was me you and Taz. We listened to that new Roy D Mercer tape all the way there and back in that white z71 you had. Yeah you were my cousin but at that time in life you was more like a crazy uncle I was proud to have. Tell Blake I said hi!*

“Kenny had the brightest sparkling blue eyes I have ever seen. I fell so in love with him. I am very thankful for our time as husband and wife because we made a wonderful son. KJ is the best of both of us. I love kala and being a 2nd mom to her has been a dream. I know you love Cody and Shannon and they love you. I will never forget you and I will miss your blue eyes. God just ushered in a rowdy angel!
