“ *I remember Uncle Kenneth's idea of teaching us kids to ride a horse or donkey, was to put us on it and then he'd go poke it in the butt with a stick. LOL. Rest In Peace and enjoy the glory of Heaven. Love you.*

“ My mom and Kenneth (pa) got together almost 15 years ago. My mom was so heart broken over losing my dad but kenneth showed her how to love again. He was amazing with my mom and us kids too. His family became our family. We all shared the love he had for all of us. I was blessed to have known him and he will forever be in my heart. Pa you won the race and one day we will meet up again. Love you forever and always.
