“ *My Condolences to the Lowrance family. Mr.Lowrance was my teacher and basketball coach at Oilton High School. He made learning chemistry fun and eventful. He was the best basketball coach. He also had the nerve of steel as my Drivers ED instructor. Mr. Lowrance will be greatly missed...*

Condolences to the Lowrance family. He was such a good teacher, coach and also my bus driver at Oilton. I held him in high regard and had recently written him a letter but of course the address I had may have no longer been a good address. Thought so much of him and Debbie.
