“ *I am so sorry to hear about Kristy's passing. I taught both of her daughters middle school art, and I also had the opportunity to coach Kaylee in middle school track. Every experience I had with Kristy was a positive one; a supportive and loving mother and an uplifting and cheerful coworker at the high school. My condolences to her loved ones and strength to the girls.*

Thomas grade school in Burlington Il and she was a joy to work with. I have many fond memories of us in the kitchen that I will think of often and remember her spirit. Cathy Sorensen*
