“ *Every time
I turned around today
I just wanted
To pick up that phone
To say
Happy Thanksgiving
Lahoma Bo-To-Nee!*

But then I'd stop

*And even though
I wanted to cry
I would just look up
And in that cloudy sky
I could almost see...
Quanah Alexander
Sittin' at your knee*

*So today I am thankful
That you and he
Are feasting
With my mama
And your mama
And Neta
And Hilda
And Dora
And all the others
Who sit on the branches
Of our family tree*

*And today I am thankful
That I did pick up that phone
To call Uncle Tommie
And I caught him at home*

We talked and we laughed

*But we did not cry
I told him that
Jay cooked the turkey
But I forgot
To tell him that
I baked the pies!*

*And now it's after midnight
So you know what that means
I'll have a snack
of Cornbread dressing
And maybe a spoon
Of fresh green beans.*

*I Love You
And
I Miss You
And
I wish you Happy Thanksgiving...##imported-
