“ *Throughout my life I haven't really fit in well in one particular place, but when i was a kid on Larry's baseball team, we were all brothers on the field. That is because Larry cared about us all like we were his own. When I was 10 I moved away to Texas, but every summer Larry always had a spot on his team for me and the memory of belonging to something special is what I will always remember. Larry will always have a special place in my heart. He was a great coach, a great role model, and a great friend.*

“ There are not enough words to express the loss of such a compassionate and giving man. He's coached our kids, built community places for kids to play, extended credit to local citizens in need, and been a loyal friend to so many of us. We have such wonderful, fun, loving memories--from childbirth classes to winning championships to sharing a burger and great conversation. He taught our kids the art of winning and losing and how to always hold your head high and tackle any curve ball thrown at you. He has been a role model for so many of us, and he will be missed by all. Our heart aches for the family, and our thoughts and prayers are with each of you.

Love,
The Hammetts

“ I would like to extend my sincere condolences to the family at this most difficult time. Losing someone you love is one of the most difficult things a family will ever have to do. I would like to offer words of comfort from God's word, the Bible. "God is the Father of tender mercies and the God of all comfort, who comforts us in all our trials". Jehovah (Ps83:18) cares for us 1Peter5:7 says "Throw all your anxiety on Jehovah because he cares. for us". May these scriptures bring you comfort at this time.

Sincerely
Mrs. Stella Futch
