“ *What an awesome man. You and Aunt Louise were my home away from home and my second parents. You will be missed as is she. I loved you both and have many memories. With the exception of a few, many led to me and Jess being in the hot seat! What a great buffer Aunt Louise was, even tho you were really just a warm snuggly teddy bear. My heart aches that you are no longer at your earthly home but it jumps for joy that you got to meet Jesus and you are in the company of my wonderful Aunty! Much love Uncle. My condolences to all the family, <3*

“ There are so many memories of Leroy. He sure loved his kids. I remembered when he would talk to his daughters; he would refer to them with the name sister. You had to be there to appreciate it. The Mccullar family was a family that you always wanted to be part of. I never wanted to go home. He always treated me like I was one of the kids. There was so much love with them and I always enjoyed my time with them. I also remembered Leroy walked 6 miles every day for years. I believed that's why he lived as long as he did. He told me he enjoyed his walks. I will miss Him.
