“ *This family was the first I got to know when we moved to Stratford. Our backyards were join by a fence. Mark and Keith became two of my best friends and now, so many years later we are still friends. My family went to Church with them also so our friendship was sealed as a part of the family of God. I love them all and always will.*

“ *L.E. was such a good, honest, kind man. I know Jerry thought very highly of him. He was always so friendly and helpful at the Lumber Yard when Jerry would send me after something and I usually had no clue what I was looking for. He will be missed by many! My prayers go out to Joann, Cindy, and all the family. Love you, Ruby Walker*
