

Linda Kay Dunavan

January 14, 1964 - January 11, 2022

Linda Kay Dunavan, was born January 14, 1964 in Ada, Oklahoma to Kenneth Dale and Willie Lee Jones. She passed away in Weatherford, Oklahoma at the age of 57 years 11 months and 27 days. After graduation she had dreams of becoming a teacher, then decided to go into health care, but she was most proud of being a mother to her daughter Faith, and grandmother to grandbaby Lyra, that brought her more joy than anything else. She loved watching movies, watching her Fur Babies Trouble and Percy her dogs play. She sang in church and taught Sunday School. One day while playing outside with older kids Linda was about 3 years old a big dog began to chase them and the older kids ran off and left her, luckily no one was hurt that day. One of her greatest wishes was that everyone would love one another, and be kind. If she could have had her wish, it would be that she would give every dog a home, she loved all animals.

“ My Momma was a kind and gentle soul. I am so grateful that I had her in my life and I know that I was her entire world. We would talk nearly everyday, usually multiple times a day, and when I called she'd usually greet me with a upbeat, "Yo Mama!" Which would always make me smile. She was my most trusted confidant, and she always said, "Faith, you can tell me anything! I'm your Mama!" And that was one hundred and ten percent true. My Momma never judged me, and only had love for me in her heart. I miss her so much, and would do anything to be able to hug her again. I love you Momma, I promise I will always carry you with me.

“ *My Momma was a kind and gental soul. I knew without a shadow of a doubt I was her whole world. I would call her nearly never day, usually multiple times a day, and she would answer with an upbeat, "Yo Mama!" Which would always make me smile. She was my confidant, and she would always insist I could tell her anything because she was my Momma, and that was so true I really could tell her anything, there was no judgment in her heart only love. I am so blessed that she is my Mom, and I miss her so much. I would give anything in the world to be able to hug her again. I love you so much Momma. I will always carry you with me.*
