“ *My Nanny was one of the greatest, most inspiring people I've ever had the privilege of knowing. She was an absolutely amazing mother, grandmother, great grandmother, daughter, sister, and friend of so many that loved her dearly. It saddens me enormously that she was taken from us, entirely way to soon. Yet, in return, God got one of the most uplifting, loving, greatest Angels he could ever receive.*

“ Linda was the type of lady that would greet you with a smile as big as Texas even when she hadn't seen you in years. I can remember many memories at Nanny Linda's house. She treated me as if I were her grandbaby, even though I am not. She will be greatly missed by many people! RIP beautiful angel.
