“ *Linda always had a way of making things better. Her smile and the sound of her laughter lit up a room. She was one of the best friends I have ever had. Our whole family loves her. She represented what it meant to be a Christian in ways few people ever do. We love you all. Your whole family has always been dear to us. You are all in our thoughts and prayers. Heaven truly became better when she got there. Love and prayers, Mike, Kat, Rod, Marissa and Zach.*

“ *I remember about 27 years ago, our baby girl was in the ICU at Children’s Hospital. She had been in ICU for about 2 Weeks. I was so tired and scared. I remember Linda sent a message with my aunt Vicki. She said, “ don’t worry if you are so weary that you can’t pray right now. I am standing in the gap praying for your baby girl, as well as many others are”. I never forgot how much that helped me! It was something I desperately needed to hear on that day. Our baby girl did get well and I had a chance to thank Linda as well as many others. I know she’s prayed for our family and many, many others thru the years. So now I’m standing in the gap and praying for this precious woman’s family. She certainly left a legacy and will be missed! May God carry you all through the most difficult of times 🙏*

“ *Linda was a beautiful lady inside and out. Her smile and attitude always reflected her love for God, and she raised a wonderful family which meant everything to her. I know she's in Heaven finally enjoying her mansion built especially for her. She's surrounded by friends and loved ones and getting to worship Jesus face to face. God decided it was just too painful for her to stay here so He lovingly brought her home.*

“ I remember so much about Linda and how she touched so many lives for Jesus. I remember how much Linda prayed and lived her testimony. She was the best ambassador for Christ and, the walking demonstration of the Holy Spirit in action I've ever met. I pray for the Holy Spirit to comfort and sustain Craig and her family during this difficult time. Roberta Keeling Stone
