“ She was always such a great home mother to all of us in school. One of the sweetest women and greatest ladies of faith I've ever had the pleasure of knowing. Her great faith in our Lord truly showed in her smile.  
At our last Class of 88 reunion she asked me if I remembered her. And of course I did!! We hugged for moments, but her smile has never faded in my memory or heart. Prayers for all of you Susanne and family.

“ Deepest condolences to the family. Linda was a wonderful woman & brightened the lives of many. She supported the science fair program by giving her hard working daughter anything that she needed to succeed. I will never forget Linda & her beautiful smile & genuine ways. May the Lord watch over her family & friends.
