“ *Lisa is my sons grandmother and she was the best! Even though her son John was not involved, Lisa never missed a birthday, or holiday and would always send Aidan something cute. She was so good to me and she loved with all she had. I wish we could have seen her more. But I remember calling her once or twice a month to check in. Aidan and I miss you Lisa!*

“ *Lisa was a wonderful mother and friend. She took care of my mother for over 10 years and I never worried about mother when she was with Lisa. She was kind, loving and always had a smile on her face. She became like a daughter to my mother and a sister to me. She talked about Duane "Bubba" and was so proud of his baseball skills and I remember when she was so excited to go to see John and their new baby.*

God Bless you boys and family. You are all in my prayers.

“ Lisa was my best friend in high school. Her humor and energy were exactly what I needed at that time of my life. I lost touch with her over the years and I deeply regret that. She was a very bright light in my life, and part of her will always be with me.
I am so sorry for your loss!

“ Dearest Lisa, so sad a life gone to soon. I'm sorry you felt no one would or could understand how you felt. We all missed you and thought of you often. I remember your big bright beautiful smile and your laugh. The times at grandma and grandpa 's. Playing in the creek and the one memory of you when you cut your foot and John Redmond carried you home. I remember it bleeding like crazy but when John picked you up you put your arms around his neck and smiled. I remember holidays and how you and Pat tortured me Gin and Jake. We were family and I miss those times of love and laughter. I pray you have peace now and someday we will all be together again. Love your cousin Rickie Ann
