“ *Linda, Dave and Family, I am so sorry for the loss of your Mom. She was my special friend. I always enjoyed working with her, we shared a lot of good times together. She had a special love for all of you. She told me about when Dave was little and he and Jack Kelly would go play in the creek and she would holler and check on him and he would wave to her and let her know he was fine. And Linda when she spoke of you, it was always with such great pride. She also spoke often of Michelle and her girls, Wesley, Jeremy and Cody. And of course she spoke of Pete often and him buying those old long horn cows. HA It was evident she loved all of you. I know you will miss her, but your loss is Heaven's gain, she is reunited with Pete now. I will always cherish my friendship with her and my memories, May God comfort you and bless you all Louann Bonham##imported-begin##Louann Bonham##imported-end##*

“ *Dear Linda, Dave and family,  
I was so sorry to hear of your dear sweet mother's passing. Some of the best memories I have are times spent in the grocery store in Oak Grove. Lois was one of the kindest and gentlest women I have ever known. She will be remembered with great fondness.##imported-begin##Sandy Braden Warren##imported-end##*
