“ Our dear, sweet, Aunt Lola...Such a precious soul🙏. An Angel! She taught me so many things. She taught me all about gardening, How to can green beans, and make grandma’s sweet pickles! The best trick for awesome chicken and dumplings, and seedless blackberry jelly!! Got me hooked on wild plum jelly too 😊. She loved babies and it tickled her so when they loved on her right back! I’m pretty sure she was the one who taught me how to play croquet, and she gave me my first Rose of Sharon plant and told me the Bible story of it. She taught me about aloe Vera plants and ensured I had one on hand while my boys were young. Her laughter was contagious and is the thing I will miss most. I can only imagine how happy she is now to be reunited with Uncle Johnny, her parents, and siblings ❤️ Brian, Andy, Adam and I loved you very much and will miss you dearly!! Forever in my heart, Kelli.
