“ *Joe and family. We pray that you continue to find peace in the Lord during this time. God has plans for us that we know not of. The service was very moving. Please let us know if we or the church can do anything else for you.*

“ *Joe and family*

We are so sorry for your loss. Wish we could have been in Oklahoma for you at this time. I will miss Loretta's text's from the ranch. She loved it so much the peace and quite, frolicking horses, birds singing. I am happy that she was happy.

We love you and will continue to pray for your peace and healing.
