“ *So sad to read of Luanne passing. She was a great person and a good friend. The Dillard family were my Grandparents neighbors and I had the great pleasure of playing with Luanne, Luwanna and Linda Carol in the summers and holidays when we visited. Have great memories of watching I Love Lucy on their tiny b/w TV and playing in the willow tree. Luanne was a very special person with a huge heart for people. She will be missed. I know she is singing in Heaven! Love to all, Lynda Ann Davis Prulhiere*

“ *I started working with LuAnne while still in nursing school in 1980. She was always supportive and a great teacher. Her influence on quality care for her tiny patients was always shared with those she worked with. We had many fun memories through the years. May your family feels God's presence as he carries you through this difficult time.*

“ *Oh, Luanne, what fond memories of our childhood school days all the way through graduation. That beautiful dark long hair and a smile that made all that knew you feel special. Your love for your fellow man, furry friends, and natural landscapes, the passion for the written word, always made you stand out in the crowd. My heart and prayers go out to your precious family , may God bless them and give them strength and understanding during this time of grief.*
