“ *Luther was a very good man. He was always sweet. I'm so blessed to live as his neighbor. He was a very quiet and loved his family so much. He lost his self when William passed away he couldn't move in from his death. He took pride in what he had. I know he at peace as he is with his family. It was a pleasure to get to know him over the last 8 years. R.I.P, Luther till we see you again.*
