“ Remember my thoughts about knowing Mabel was partial split as I was 15 years younger which my parents traveled to Wynnewood to visit my mothers family members for different reasons as I remember Mabel's father working locally at the Kerr McKee Refinery as we could smell fumes a long ways everywhere locally in Wynnewood. Then staying at her home watching me & her two younger boys as my parents there for few hours & guess she helped to staying home on that day. Her husband Eugene Garrett was working also at that time in the refinery too as was just a regular for many since it was largest business in Wynnewood that controlled incomes for many families for miles. We seen Mabel & her family most every summer at the Wood's Family Reunion in Sulphur at Platt National Park as most of the Wood's Family camped for whole week to visit. Few years later Mabel & Eugene also had a daughter born to their family. I was then years older too & years went by too fast as I also got married & lived fulltime in Oklahoma City working to build my own family too. Relationship ended with Mabel & Eugene years along as calendar dates pressed onward. Later years seen Mabel again briefly once where I worked & know she was in a relationship with Thelbert Hartley & they started visiting my mother & father at their residence in Oklahoma City at times. Later years learned Thelbert had passed & Mable living by herself at a Senior facility in Oklahoma City. Few Calendar years again learned Mable was living at Retirement Senior Center in Pauls Valley Oklahoma. Mabels grin of laughter was fun every time I remember as jolly memories. So sorry to hear of Mabel passing as she loved her children as only a mother could.
