“ *There's a memory of you, one of my favorite pictures of you since the day it was taken . You're sitting next to your mom, peaking over at Gunner the day he was born...you look like her, you're both so beautiful! and then another when Jacqson was born except you were holding him in your own arms. The look on your face as you stared at both of these baby boys was pure love. An Angel among us from the day you were born... How beautiful it is to know we were blessed to exist in your world. I love you*
