

Margaret Ann Pitt

June 1, 1942 - February 2, 2025

Margaret Ann (Moore) Pitt was born on June 1, 1942 to Alice Roberta Braden & James Walter Moore in Compton, CA. She passed peacefully from this life on Sunday, February 2, 2025 in Yukon, Oklahoma with her family by her side.

Margie was raised in California, and moved to Oklahoma around 1966 where she worked for Western Electric for 29 years before retiring. She raised her children in Oklahoma where she enjoyed taking them on trips and giving them the best life she could. The ultimate thing she gave her family was love. She enjoyed the simple things in life, whether it was going for a drive (faster than recommended), watching old westerns and game shows, listening to old country music, or joking around. She loved traveling and dancing, was always there for a good time, and you could always count on her to be ready to head to the casino! She was always generous to her family, friends or anyone that needed help. She will be deeply missed by all who knew and loved her.

She is preceded in passing by her parents, her brother Butch Henricks and sister Lori Kitchens.

Margie is survived by her children; daughter Lorinda Ray & partner Todd, sons

Ronald Lachman & wife Heather and Jerry Lachman & wife Wanda; brother Marty Ray Henricks and 4 sisters; Ethel Sanders, Cassie McGhee, Eileen Womack and Kelly Myers. She had 12 grandchildren, 12 great-grandchildren and a host of nieces and nephews, as well as her furry family that she simply adored.

“*Margie was my stepmom from age 4 on. Though I wasn't thrilled of the idea as a small child I grew to love her greatly. She always accepted me as I was and always treated me like one of her own. Heaven just got a little brighter with this beautiful lady arriving home. Prayers for the amazing family in this difficult time* ❤️

Thank you John. We found an envelope with pictures and stuff that was addressed to you while going through papers she had. Let me know how we can get them to you.

“*When I was 21 I took a cross country trip to visit family and friends. Margie graciously opened her home to me. I have been told she babysat me when I was young. I will miss her greatly!*
