Margaret Perle Ray, a resident of Sulphur was born June 17, 1920 in Ada, Oklahoma to Homer J. & Ophelia Perle (Fain) Sarrett. She passed away Tuesday April 7, 2020 at Okla City, Oklahoma at the age of 99 years 9 months and 20 days. She was the youngest of six children. Margaret graduated from Ada High School and East Central University, where she was President of Pi Kappa Sigma Sorority. It was there she met her future husband, Jack F Ray of Sulphur. The two were married on Sunday, June 21, 1942 in Toledo, Ohio, just before Jack left for his WWII assignment to the 384th Bombardment Group 8th Air Force in Europe. After the war, the two returned to Sulphur as owners of L & R Food Market and later named Jack's Foods at 12th and Broadway. Margaret will be remembered as the kind lady at the checkout stand, who worked alongside her husband for more than forty years. Later in life, she became an outstanding duplicate bridge player and served as President of the Sulphur Duplicate Bridge Club. Margaret also was a member of P.E.O. and the Sulphur Garden Club and an avid Oklahoma Sooners Fan. She was a faithful member of the United Methodist church and was a baker of outstanding pecan pies. To her family she will be fondly remembered as the traveling grandmother with boundless energy who ventured down the Amazon at 80 years young.

She was preceded in death by her parents, her husband, Jack on March 9, 1986 and 5 siblings.

Margaret is survived by her son and daughter and their spouses as well as four fabulous grandsons. They are Philip and Alison Ray of Exton, PA Brian Ray of Tampa, FL, and Christopher Ray of Pottstown, PA. I loved the video! I will always remember your Mom and Dad at “Jack-o-Rays”, as King called it. Your Dad would be talking as he put on his butchers cap and trimmed the fat off the steak for us. Your Mom was always at the cash register with her sweet smile. My Daddy would always let me and King pick out a comic book. We loved going to your grocery store! It was a Sulphur tradition!

Margaret was such a lady. So petite and proper. I grew up wishing that we could live on 17th Street. It seemed to me to be the best place in the best town in the world! And we lived across the highway, which meant that the only time I could come over was when Mama would bring me. Margaret and Mama would sit and visit, Jack would be smoking his pipe. To me, that exemplified the idyllic childhood of the 50s and 60s. I loved your mom and wish that I could see you all and hug you and cry with you. Margaret had a long and wonderful life. Thank God for her. And God bless you, Marsha and Philip and your families.

“*Marsha and Phil, I cherish the memories of your Mom (and Dad) and the good times we had getting together. We are fortunate to have had mothers raised by “Nanny & Papa”!*

“*When David and I were young we lived across the street from Jack, Margaret, Phillip & Marsha. I don't ever remember seeing Margaret without a smile on her face, a fond memory is of playing in the backyard and no matter where we were in the old neighborhood you could hear Margaret calling Marsha when it was time to come in for dinner, I was always amazed how such a strong voice could come from such a petite woman :). I will always remember Margaret with a fond heart, my thoughts and prayers are with Marsha, Phillip and all those that loved this sweet woman. Tommie Thompson Grimes*
