“ *Margaurete was one of my favorite participants at our Cedar Hill Senior Center; I was center manager 'til I retired about 8 - 10 years ago; she was active with our field trip friends (theater & symphony, as well as Farmers Market & more), helped with the county immunization clinic for the community, volunteered with our Retired Senior Volunteer Program in many areas of service, and I took her to Austin for the celebration of her award of the Immunize Your Little Texan by Two program; I thought often of her after my retirement, and know she'll be greatly missed by her family. I remember Patty and the girls, thinking of them too; say 'hello' to Jackie and Teresa for me.*
