“ *Martha always had a smile on her face. I enjoyed everytime she came to my home is was a big hug and I love you cousin. When I first moved to Wynnewood she hung out at my moms house and played Atari with us. She loved this crazy song "Barbara Bedroom" because it was so funny and she had never heard it. She is greatly missed and family gatherings will not be the same without her. Love you cousin.*

“ Words cannot express the sadness in which I am feeling for your loss but my heart shares your pain. I or no one else can say "I know what you are going through until they have been through something such as this." I can say that may you find comfort in knowing that you have many wonderful memories to forever cherish of Martha and her she continues to live on through her son. I am praying that God will keep each of you and sustain you now and forever. This monumental time in your lives is difficult beyond description but God will make each day a little easier. Nothing will ever be the same but in time it will start to get easier. I also pray that whom ever did this will be found and brought forward.
