Dear Mary, Your love for God showed through that beautiful smile and the sound of your laughter. I will always remember the special hugs that I would get from you when I saw you at church or when you living at Rose Rock Villa in Norman. Mom missed you so much after you moved away from there and I know that she thought of you as a dear friend and sister in Christ. I can just see you two sitting and chatting and praising God. You will be truly missed here on earth, I know that we will be reunited with you one day in Heaven but until then the loved ones and friends that you have left behind will hold on to the memories of your beautiful spirit and love for all. Love, Barb J.

“ *Mary was a joy to be around. She brightened my day every time I was with her. She was a dear friend. Her family was her pride and joy. She is gone from her earthly body but her eternal soul is in Heaven. All the cares of this world are wiped away and she is in the land where there are no worries or tears. I loved her. Her family is in my prayers. Carolyn Fox*
