“ *My heart is broken to hear about Mary Lou's passing. She was the most talented lady and I learned so much from her. She was able to turn any event into a first-class fantasy. Her home was always beautiful and filled with exquisite examples of her art. I'm praying for Susan and Beth and their families during this time. She was a wonderful Mother & Grandmother, and created lasting memories for each grandchild. My thoughts are also with her siblings, extended family, and other friends. Mary Lou was my great friend and I will miss her so much!"*
