“ *I am viola's brother LLoyd's granddaughter. I recently just found out about her passing a week ago via extended relative & Not knowing much about my family, it wasn't until I googled, my great grandmothers name for my geneology project that this came up! a wk after I found out about her passing last year..But,I did get to meet/visit Aunt Peavey as (my family calls her) twice in my life & she was the sweetest woman always had a story to tell,photos to share, a warm hug & a smile on her face. She opened up a whole other branch to the family tree for me & bringing me one step closer to them. all my love aunt peavy & thank you for being so amazing to me. I wish I'd had more time to get to know you better. & thank youy for still sharing stories connecting us in ways no other can.I loved you & I miss you. your {great niece?} Tia.*
