“ Bubba! You've been such a big part of our lives for so long how can I pick just one memory of the thousands that I have. From the time you and Bud met as little boys the Sonny and Pepper brotherhood was made. Joined at the hip everyone knew that if one was seen the other wasn't very far behind. The halls of Mill Creek School will long echo from the shenanigans of you two. Myself, I'll never be able to fix Goulash again without memories of you flooding in. There are many, many more memories that I would love to share but time, space and tears falling will not allow me to. So now I'll just say COWBOY UP my friend.

“ Bubba! How can I list just one memory... You've been such a big part of our lives there are thousands! From the moment you and Bud met the connection was instant and the Sonny and Pepper brotherhood was going strong. Joined at the hip everyone knew where one of you was the other wasn't far behind. The shenanigans of y'all will long echo in the halls of Mill Creek Schools. As for me I'll never be able to fix Goulash without thinking of you. Video game time.. oh yes the laughter that went with that...I could go on and on but for now all I will say is COWBOY UP my friend.
