“ My thoughts and prayers are with Becky, Marci, and Bill. Max was married to my cousin Becky, and a joy to all who knew him - not just our family. My favorite memories are of sitting around Bill's dining table for Sunday family dinners and him making us laugh til it hurt. We shared a love of late-night TV, great restaurants, and New Orleans. I will miss him always...

“ Max was a wonderful man. He was the highlight of my trips to vocational building when he worked at OSD. He was later my senior sponsor. He was genuine and caring. He did a lot of my photographs as Miss Deaf Oklahoma and other things. Always friendly and always smiling. I haven't seen him in years but have thought of him fondly. My condolences to his family on their loss.

“ *My sincerest sympathy, prayers and condolences to Max's family, especially Becky, Marcie & husband, and Bill: also to the extended family. I was privileged to work with Max at OSD for some 30 years. We even took some of our deaf Ed classes together & he was always pleasant to be around. He was always very helpful in whatever you needed that he could do. My heart goes out to all of you and I am feeling the loss, too, even though I had not seen him much since my retirement.*

“ *I remember being very young--maybe five if even that old-- and my cousin Max taking me for a ride down his parent's street on the back of his motorcycle! And I remember how much fun it was to go into Hammond's Men's Clothing store and Max would be there working with Uncle Sam. Max has always been a nice man. I am very sorry for family's loss.*

“ I met Max just a few years ago when my brother in law married his daughter. We hit it off instantly. We both were from the south, next door to each other, Texas and Oklahoma, and loved the same things, our families, friends and cooking. We shared receipes and instagrams and I felt like I had a new friend in Oklahoma. My wife and I had just came back from Colorado in July and decided to take a new route home thru Oklahoma, so we could stop by to have lunch with Max and Becky. It was good to see them and I will treasure the brief time we had together. My heart and prayers go out to Becky and Marci, I know it will take time to ease the pain of their loss. But time is the great healer and in time we can smile and just ponder the sweet memories of our loved one. Rest in Peace Max, you will not be soon forgotten.
