“ I have known Maxine since I was about 7 years old. My Aunt Maxine married Harold Lannom about the time Maxine Moore and Bill got married. They fast became Harold's Mac and Bill's Mac. Just after she remarried and became Maxine Morton I saw her and she told me she had always wanted a name that was just hers. It was not to be because The other Maxine Morton was married to Dr. Morton. I have many precious memories of her in "Club" with my grandmother and aunt.
