“ *To Linda and Tresa, My heart aches upon learning of Mayrene's death. I realize you don't know me but your Mother and I go back a long ways. Mayrene was my dearest friend all the way through school -- from grade school through high school. Our lives took us in different directions since them and we hadn't seen each other in many years but she's still in my heart and always will be. She was a good friend to me!*

I know you will miss her and you will grieve but time and God will help you. I send my sincere sympathy to you.
