“ *Always the sweetest person from the day she was born, her family were her heart and soul. Her smile and her giggle would light up a whole room and make everyone feel good. I will miss that beautiful smile and the way her eyes sparkled. R.I.P. my sweet babygirl, Aunt Brenda loves you so much.*

“ I know you'll never read this so I'm saying it mostly to feel better myself. I have to get it out because I never told you. Thank you for being such a good friend to me. I met you at one of my lowest points in life. You made me see that I'm not what other people define me as, but I'm who I know I am. You made such a difference in my life. I loved you so much. Thank you.... For being you. I miss you so much already.
