“ *Bank on ICC Recovery Service:
As digital assets continue to revolutionize financial world, the decentralized and volatile nature of blockchain technology adds to its complexity. Without proper knowledge, it is hellishly difficult to amass a huge ROI or recover assets when lost or stolen by phonies. From high-profile hacks to user errors, forgotten passwords and misplacing private keys, there are many ways to lose these valuable assets. In my experience, tracking down, identifying and recovering these financial assets is daunting, but with ICC Recovery Service, retrieval is possible. I volunteered this review to thank ICC Recovery Service for being a lifesaver in data recovery industry and also to remind those caught up in systematic scams that all is not lost. I started working with ICC team based on feedbacks I read from others on search engines and we hit it off the moment a bargain and service fee was agreed and my lost assets were recovered within 72 hours. Their services and communication were timely. They were efficient. If you are unsure of which data recovery service to choose, contact ICC Recovery Service for your recovery needs. They are not only a beacon of hope for asset recovery but also for equipping and inspiring people with the right tools when it comes to digital assets gatekeeping.*

“ If you are referring to credit hack like the share secure technique, removal of negative items, or building credit through credit cards, those are all things that can work, and there are also much better strategy like the use of a good hacker to always keep in check of your credit score but you only get to see them in Dark web well I have something good to testify. I made some credit mistakes in the past. On my credit reports, I have three accounts in good standing which are my student loans, my cell phone bill, and a savings loan (for credit rebuilding purposes). On my Equifax report, I have two collections. One for a vet bill that my exgirlfriend told me she was paying (she broke my dog's leg) and in fact didn't pay at all. I didnt know until I pulled my credit report late last year. I have since paid off that account (\$3500). The other account is basically from my own side. However, I am urging youll to touch base with him he's the truth. I get in touch with the god eye in a forum and he help me solve all my issues within 72 hours. He helped me delete all the negative collections on my report and help me increase my credit score 820 excellent standard and also promise to be there for me anytime i need his services. He gave me a good customer experience and his service is very affordable.

I was diagnosed of a deadly disease called HIV/AIDS since the year 2000, ever since then i have been taking medications on till i met a great herbal doctor. though i never believed in Herb medicine, i saw many testimonies on how he cured so many people and i decided to contact him. so i contacted him through his email, he gave me a form to fill, i filled it and send it back to him and then he told me that he would require some items to prepare a herbal medicine for me. i did'nt know were to find the items, and he told me that the only alternative is to help me get the items and he helped me purchase the items from the items seller. i promised my self to do anything to get cured, so i sent him the money and he prepared a medicine for me and he told me how i will be taking it. he asked me to have faith and believed in him which i did, 7 days latter he asked me to go for a check-up, when i did the check-up i was tested HIV Negative. “ I am Reacheal Mills currently in California USA. I would like to share my experience with you guys on how I got a loan of \$170,000.00 USD to start up a new business. It all started when i lost my home and belongings due to the bank draft I took to offset some bills and some personal needs. I became so desperate and began to seek for funds at all means. Luckily for me I heard a colleague of mine talking about this company, I got interested although i was scared of being scammed, I was compelled by my situation and had no choice than to seek advise from my friend regarding this very company and was given their contact number, getting intouch with them really made me skeptical due to my past experience with online lenders, little did i know this very Company "MOORE LOAN COMPANY". was a godsent to me and my family and the entire Internet World, this company has been of great help to me and some of my colleague and today am a proud owner of well organized business and responsibilities are well handled all thanks to of Robbinson Moore (mooreloancompany@yahoo.com).. “ Hello friends!!!

I want to testify of the good Loan Lender who showed light to me after been scammed by 2 different Internet international lender, they all promise to give me a loan after making me pay fees which yield to nothing and amounted to no positive result. I lost my hard earn money and it was a total of \$3,500. One day as i was browsing through the Internet looking frustrated when i came across a testimony woman whose name is "Mrs. Patient Jones" from the United State (US) who was also scammed and eventually got linked to a legit loan company called NationWide Loan Company (nationwidelccc@gmail.com)

where she finally got her loan, so i decided to contact the same loan company and then told them my story on how i have been scammed by 2 different lenders who did nothing but to cause me pain. I explained to the company by mail and all they told me was to cry no more because i will get my loan in their company and also i have made the right choice of contacting them. i filled the loan application form and proceeded with all that was requested of me and I was given a loan amount of \$150,000.00 by this great Loan Firm {NationWide Loan Company} managed by Mr. Robert Alvaro (CEO) and here i am today happy because NationWide Loan Company has given me a loan so i made a vow to my self that i will keep testifying on the Internet on how i got my loan. Do you need a loan urgently? kindly and quickly contact, Mr Robert Alvaro (CEO) now for your loan via email: nationwidelccc@gmail.com

“I hope this reaches you in time, I made a trip to Bradford, England. And my purse was stolen with my International Passport, Credit Cards inside. The embassy is willing to help by letting me take a flight without my passport, all i have to do is pay for the ticket and my hotel bills. To my dismay, I cannot access my money without credit cards, and i have made contact with my bank but they need more time to process things and to get me a new one. In this unfortunate situation I thought to ask you for a quick loan that I can give back as soon as I return. I really need to be on the next flight.

I need about 2,200 dollars to cover my expenses. Western Union is the best way to send money to me. I can send you the details on how to get the funds to me.

I look forward to your response.

“ VICTIM OF SCAMS BUT NOW A VICTOR THROUGH JOSH LOANS FINANCIAL SERVICE joshloancompany@gmail.com OR +1(215)-874-8060

Helen Truong is my name from 1731 Hilltop Haven Drive, Red Bank, NJ 07701 USA. It lifts my heart to actually use this medium to save innocent people who would have fallen into the wrong hands in quest to obtain an online loan. With all humility I want to personally warn all online loan seekers to be very careful while trying to get a loan, because it is no news that scammers are rampant everywhere all over the internet claiming to offer loan. I was a victim before now and I solemnly hope that you are a victor if you care to take my word of advise. Few months ago I was financially strained, and due to my desperation I was scammed by several online lenders. All hope was nearly lost until a co-employee suggested 'JOSH LOANS FINANCIAL SERVICE' an online reliable and trustworthy lender for me, as I was almost at the edge of taking my life considering a loss of about \$83,000; As God would have it, I applied for a loan from 'Josh Loans Financial Service' under Cynthia's (co-employee) recommendation and WOW in less than 72 working hours I got a credit alert confirming that my account has been credited with the loan fund of \$220,000.00 which i originally requested. If after loosing much God has shown me light with the help of 'JOSH LOANS FINANCIAL SERVICE', you too without doubt can as well obtain a loan from this reputable lending institution. IN ALL, if you, your relation or any closed person desperately need a loan, DO CONTACT or help that soul to communicate with JOSH LOANS FINANCIAL SERVICE via email on joshloancompany@gmail.com OR text/call them on +1(215)-874-8060

“ Hello everyone, Do you need hacking services? TESTED AND TRUSTED WITHIN 1 HOUR .. please contact SPIDERHACKERS95@GMAIL.COM

Be warned, most of these hackers called here are imposters, I know how real hackers work, they never advertise in such a gullible way and they are always discreet. I was tricked so many times out of desperation trying to find urgent help to change my grades from school, finally my friend introduced me to a group of trusted hackers who work with discretion and delivery promptly, they do all sorts of hacking that vary;

-WE ALSO LOAD BITCOIN BLOCKCHAIN ACCOUNT WITHOUT UPFRONT PAYMENT

- Sales of ATM cards in white.*
- Changes in university or school*
- Confidence in bank accounts and transfer of funds*
- Delete criminal records hack*
- Facebook hack, Twitters hack*
- email accounts hack, gmail, yahoomail, hotmail etc.*
- Skype hack*
- Databases pirate*
- Word Press Blogs hack*
- Individual Computers*
- Remote control devices*
- Verified accounts of the Paypal hack*
- Android and iPhone Hack etc.*

But they helped me;

- Changed my school grades*
- Hacked my girlfriend boyfriend*
- Most of it, they helped me with the money transfer Western Union and I accompanied and confirmed the money. I've made them my permanent hackers and you too can enjoy their services.*

“ I sincerely didnt like the idea, but this is my way of saying thank you to the Quora user that recommended a hacker (ETHICALHACKERS009@GMAIL.COM)

I hired him for a very private and difficult matter of helping me hack a my spouses phone and social networks and some other personal stuffs and he far exceeded my expectations. which Jeremie, helped me get the info(whatsapp, facebook, text messages, call logs etc) faster and cheaper than I had imagined. The first time we spoke, we had a very long phone consultation in he gave me all my options that he could think of to resolve my case, and he even recommended I try other options before hiring him, which shows that he is honest. I decided to hire him and I am glad I did. he is a fantastic investigator and a great person. “ When I found Dr. Olu I was in desperate need of bringing my ex lover back. He left me for another woman. It happened so fast and I had no say in the situation at all. He just dumped me after 3 years with no explanation. I contact Dr. Olu through his website and He told me me what i need to do before he can help me and i did what he told me to, after i provided what he wanted, he cast a love spell to help us get back together. Shortly after he did his spell, my boyfriend started texting me again and felt horrible for what he just put me through. He said that I was the most important person in his life and he knows that now. We moved in together and he was more open to me than before and he started spending more time with me than before. Ever since Dr. Olu helped me, my partner is very stable, faithful and closer to me than before. I highly recommends Dr. Olu to anyone in need of help. “ My name is Ella from United States, I want to quickly tell the world that there is a real on line spell caster that is powerful and genuine, I was the worlds biggest septic. I never believed in magic spells or anything like that, but I was told by a reliable source Dr. Balogun a great spell caster helping me retrieving back my relationship with my ex boyfriend back when he ended and turned back to me for quite a long time now (3 months ago). He performed a spell for me and for 24 hours after the spell had been casted i receive a text from my ex boyfriend saying that he is sorry for the pains he put me true and the tears that he had caused me and that he will not do such thing to me again in his life again. i was really surprised and was also happy, so that was how i forgive him and now we are living together happily than ever before, and He always want to be by me and can not do anything without my present. I was surprised but later accepted him back again. “ I tried changing my husband's password after watching a video tutorial on Instagram. It was stressful, and when it got to a point, I was so confused as my whole attempt became zero. but along the line I saw a testimony in the comments section of that video about a genius hacker Dolph Anderson where someone was witnessing how alliancehacker999@gmail.com helped provide a blank ATM card that she used to withdraw \$ 12,000, so I contacted him immediately because I desperately needed a hacker to hack my husband Whatsapp and Facebook account as fast as I could before he realized. and this hacker asked for the Facebook link and the whatsapp number which I provided, and to my great surprise, Mr Dolph Anderson did the job for me. Within 24 hours. I paid \$ 340, which I believed was not enough because I received the desired results from him. Since then, I have recommended him to my friends and they have enjoyed his services as they have also gotten good results from him too. “ REALS SPELL CASTER

My name is VICTORIA JAGUERS, I am from Australia.

This is my testimony, it is also a guide to anyone facing any problem out there who might be needing spiritual help to solve his or her problem.

I never believed in efficacy of spells until I had a personal experience from the helping hands of a great spell caster from AFRICA, popularly known as "DOCTOR OKOEBOR" he proved that his spells are second to non.

My fiancee left me a devastating note on the kitchen table on (Dec 21nd 2017),I had gone out to get some groceries, only to be heart broken by the contents of the note. He said he was no longer interested in me and he was in love with some one else, my relationship of (4) years just shattered before my eyes, I looked around and I noticed that his belongings where not in the house anymore, i felt so frustrated. I did all I could to reunite with my lover, through messages and calls, but it was obvious that he no longer had interest in me because every move I made yielded no positive result.

I met with luck one faithful day while surfing through the Internet, I saw some reviews (testimonies) about "DOCTOR OKOEBOR's powerful spell works, most people said that he returned their lost lovers to them in just 48 hours,some testified that with his spells, they won huge money from lotteries, others said that he healed serious diseases like HIV/AIDS,CANCER e. t. c I felt convinced and contacted his email [greatokoeborspelltemple43@yahoo.com] and he replied me in no time and told me that my husband was under influence of a spell but he'd help me bring him back. He explained all I had to do and I abided to instructions,in two days,my husband returned home to me pleading for forgiveness and we are happily united with help from the great spell caster, " DOCTOR OKOEBOR ".

Any one who needs strong spells can email him for help to the following :

- (1) RESTORE RELATIONSHIPS SPELLS
- (2) RICHES/MONEY SPELLS
- (3) VANISHING SPELLS
- (4) ATTRACTION SPELLS
- (5) END DIVORCE SPELLS

“ ALL THANKS TO UPSTART LOAN AM NOW FINANCIALLY STABLE . upstartloan@yahoo.com
I am Michelle Huxford from Casper, Wyoming. I was in a very chronic financial issue and terminal health situation some few weeks back. After all my search for assistance from friends and neighbors proved abortive, I feel there was no one who truly cares. I became so emaciated due to lack of good food and my 2 kids age 5 and 8 were not also good looking due to lack of proper care as a result of finance. One faithful morning I saw an old time friend of my late husband and I told him all I have been going through and he said the only way he could help was to direct me to a good loan agency that also helped him, He explained to me on how he was financially down and how he got boosted by this loan agency UPSTART LOAN INC (upstartloan@yahoo.com) who grant him 245,000 USD loan at an affordable rate. He further assured me that they were the only legit loan firm he found in the quest of seeking for loan after been scammed by various fake loan lenders online. He gave me their email: upstartloan@yahoo.com or text/call (574) 301-1639, That was how i applied and was also granted a loan and my life changed for the good. CONTACT THE ONLY GENUINE LENDERS(UPSTART LOAN INC) VIA email: upstartloan@yahoo.com or call +1 (574) 301-1639 to resolve your financial mess.
