“ *This is my mom, and i will be honored to be the first, and maybe the last to write on here, it doesnt seem like she is gone at times, and i still think at times, i need to pick up the phone and call her to see how she is doing, then it hits me, i will have to wait to talk to her, for now she is not in her earthly home, she is with her Heavenly Father, and she is with daddy again, i could just imagine her seeing Jesus for the first time, and saying "Dear Lord" like she had never said it before, and i can just see daddy waiting off in the wings until she got done talking to Christ, and daddy saying "Hey mama, its been a while", I will miss you, but will see you again soon, I love you so much that i wouldnt want to take you away from where you are*
