

## Millard Lance Lemmings

November 11, 1998 - January 22, 2024

Millard Lance Lemmings of Stratford, Oklahoma was born November 11, 1998 in Ada, Oklahoma to Jody and Angela (Kile) Lemmings. He passed away on January 22, 2024 at his home in Stratford at the age of 25 years 1 month and 11 days.

Veterans Day '98, a true angel was welcomed into the world, known by most as Lance Lemmings. In his childhood, he went through much more than most adults could imagine when it comes to healthcare. Even through those hardships, many would describe him as a “tough lil man” because it never seemed to keep him from being a contagiously joyful soul. Everyone would agree that to know Lance is to love him. Though his physical body was quite limited, his spirit was anything but. You may have seen that he was not lacking in communication, and his feelings could be expressed through his piercing blue eyes, a soft chuckle, or heavy sigh. Lance enjoyed an array of activities such as Walmart runs, bird watching, and even going to the lake. Through all of life’s uncertainties, one thing we can know for sure is that Lance is now walking, running, dancing and rejoicing with our friend Jesus. The years we shared with Lance were miraculous and sweet, and he will be dearly missed by his family and friends.

“ Jody was always excited to take Lance trick or treating on Halloween, we would take turns pushing him all over Stratford, we would try and go to every house w a light on. Everyone knew Lance and was glad we brought him by. Lance also enjoyed Christmas lights, we used to take him to see them every year, Dec 2023 we stopped and went to Purcell lights, it was the last time he got to go shopping at the mall in Norman, then lights on way home. He never fussed the entire trip, (until we were headed home!) lol!
