“ I can't even begin to write all the memories I have with and of Mindy. She is the sister I never had and my very best friend of 26 years! We were definitely soulmates as far as girlfriends go! She was one of the strongest and bravest women I know. She fought a very hard battle until the very end! She never gave up! She has one of the most beautiful voices I have ever heard and now she is rejoicing with the angels singing right there with them! She was beautiful inside and out! My life defiantly will have a void and an emptiness without her but I know she is in a better place and happy so knowing that makes my heart happy! I love you so much Mindy! I will talk to you every second of every day so be listening 😊...you are absolutely amazing!! Thank you for such a beautiful FOREVER friendship-I will cherish it and our memories forever!! I love you Mindy Lou ❤️

“ There is no way I could post all the memories I have of and with Mindy. She was the sister I never had-best friends for 26 years.....we have been through any and everything any 2 friends could go through but we always came out stronger than ever! She is the strongest and most bravest person I know and fought one heck of a fight up until the very end! She had and even through her sickness and treatments the most beautiful voice I have ever heard-she now can sing with the angels for her voice is definitely one of them!! She was the bestest friend any gal could have and I couldn't be more proud to call her just that! Mindy, i love you with all my being and will miss you more than I can put into words! I know you're at peace and happy and that my sweet Mindy Lou makes my heart happy! Fly beautiful.... 🌹

“ I remember when Mindy watched my girls when we first moved to town. They came to love spending time over there. Upon dropping the girls off every morning, I had to drop off a RT 44 Dr. Pepper, she said her day didn't start without it! Chad, Coltyn, Kaylen, Trinity and Hunter.. words cannot how deeply sorry I am for your loss. Mindy was a great wife, mother and friend and she will be greatly missed by many people. Still praying for your family during this time of loss.

“ I remember when Mindy watched my girls when they were younger. They loved spending time with you and your family. Along with dropping my girls off every morning, I had to show up with a RT 44 Dr. Pepper. She always said her day didn't start until she had her Dr. Pepper. Chad, Coltyn, and Kaylen..I am so deeply sorry for your loss. Mindy was an amazing wife, mother and friend and she will be missed by so many people. Praying for healing and understanding during your loss.
