“ I will always remember going to Tena and Jerry's house spending a few hours each time, when the kids were little, Tena always spoke of Little Jerry dismantling something, a car, lawn mower, anything that moved. She would smile and say that boy can take anything a part but does not always like putting it back together. You are a new bright star in our heavens Aunt Tena!!! we love and miss you give mama a huge hug for me and my Larry also. Always on our mind forever in our hearts!!!

“ Mom you were the best I love and miss you so much that it's impossible to believe your gone. I remember last year we were arguing about Walmart carts. And now you're gone. I'm going to fulfill your wishes as I know you'd want me to. You were the best mother for me and my brother and a great wife to dad. We will never forget you. Love you always.

“ I have so many memories of Tena. Most of them is as Mom! I never dreamed I would meet someone so sweet and so caring. She was like a second mom to me that is how much i loved Tena. I know that she loved her family. Didn't matter what they done, nothing could make her stop loving them. And then there were the bingo nights up at the chickasaw, I moved away about over 10 yrs ago and I never got the chance to talk to her again. I had planned on going by and seeing her when I went through on my way to my sons bootcamp graduation. I will close this with a message to the family. She isn't gone. She just left a body that was tired, She is whole again and she is always in her heart. It's ok to still talk to her she does hear you. Know that she loved you all with everything she had.
