

## Nancy Charlene Parsley

September 14, 1957 - May 24, 2026

Nancy Charlene Parsley, 68, passed away on May 24, 2026, in Tishomingo, Oklahoma. She was born on September 14, 1957, in Aberdeen, Washington, to James Franklin Baker and Shirley Bernice (Morris) Baker. At the age of six, Nancy moved with her family to Canyon, Texas, where many cherished childhood memories were made — including sneaking her mom's peanut butter cookies late at night, something she always lovingly remembered.

Nancy was first married to Doug Ice, and to this union two sons were born, Jason Ice and Jeff Ice. She later married the love of her life, Jerrell Wayne Parsley. Together they built a life full of love and companionship before eventually settling in Tishomingo, Oklahoma, where they spent their remaining years together.

Nancy had a creative soul and a deep love for art. She enjoyed glass fusion, jewelry making, and artistic projects, proudly following in the footsteps of her father, who was also an artist. She loved her Dr Pepper, candy, and treasured the late-night phone calls she shared with her sister Brenda. Some of the greatest joys of her life were her husband Wayne, her beloved cats, creating art, and watching her grandson Isaiah graduate and begin a family of his own.

Nancy was known for her positive outlook on life and for encouraging others to speak up for themselves and stand strong in who they are. Her kind spirit,

creativity, and love for her family will be deeply missed by all who knew her.

Nancy was preceded in death by her husband, Jerrell Wayne Parsley in May 2022; and her father, James Franklin Baker in April 2024.

Those left to cherish her memory are her mother, Shirley Bernice Baker; sons, Jason Ice and Jeff Ice; sisters, Brenda Baker and Kelly Cave; grandson, Isaiah Ice; great-grandchild, Rinny Ice; along with many other family members and friends.
