“ *Nancy's smile could light up a room, so many memories from school days to when Nancy, Cathy Butler and I would carpool to work every day to Xenell, fun days , Cathy playing her guitar and Nancy and I singing all the way to work and back and driving our bosses crazy at work , she was a jewel, prayers for her family, she will never be forgotten*

“ Nancy has always been a Beautiful Person inside & out!!! On a more personal note We Always called each other Sister!! We really weren't but at one time long ago we married 2 Smith brothers. Anyone who knows us will remember how those marriages turned out. If not just guess! The last time I saw Nancy was when met South of Norman to attend a Josh Turner Concert. If you don't know who that is, then you're Not Country!!! Anyway we shared a Hotel room & before the concert Nancy told me I looked washed out & proceeded to put some of her blush on my cheeks & tons of lipstick & gloss on my lips, then Said "There Now we can Go!!! We had great time at the concert & then she said "Let's Go Out to My Car I brought you Something" & it was a full CASE of Fields Pecan Pies. I said That's a Lot Of Pies & she said just freeze some of them & thaw out as you need to. I said okay, Then we went back in the hotel , got on the elevator & were talking so much we rode 2 floors higher than where our room was & looked & looked for our room # till we started laughing & realized we were on the floor.I had already paid for the room & got more than repaid with PIES. We had plenty to laugh about on that trip, She said let's go see my sister Kay in Moore before you head back to Joplin, & I said fine I'll follow you. Nancy was going to stay a few days with Kay. So off we went she was driving a white car. Easy Enough right well not for me! Somewhere on the way I started following the WRONG white car & ended up at Kohls in Moore.Long story short Kay & Nancy & Kay came ot Kohls & found me I stayed on the bumper all the way to Kay's house! There are Many Stories I could tell about things we did but somethings are better left unsaid! I was sitting at my desk here in Joplin, Mo. & had just finished addressing A Birthday Card To Nancy (A 1 that said Sister on It) Stamped & Sealed When I got the Heart Breaking Sad News that Nancy had passed on to HEAVEN!!! Was Clearly A Shock!!! But I know Myself & Many Others Will See Her Someday In That Beautiful, Glorious, Place With God, Jesus, The Angels & what a Wonderful Day That Will Be! My Son Randy offered to come get me & take me to her Service. I thought about it, then decided I would rather remember Nancy as she was the last time We were Together!!! Laughing & Cutting Up with Each Other!

But Will Certainly Be There IN SPIRIT!!! We actually met at a basketball game we were both playing in Byars. When we were about 12 years old. Stratford VS Byars. Stratford Won & Somehow Nancy ended up with a piece of gum In Her long ponytail She had then.I wasn't a bad loser, Not Me. That's my story & I'm Sticking To It!!! Prayers For All The Family & Friends!!! Especially Tim & Todd! Her 2 Good looking Sons!!! You will never be forgotten NANCY!!!! From your Loving Kinda Sister!!!! Thelma.
