“ *Betty & Linda, and all of Laverne's family, we want you to know we are so sorry for your loss. We are so thankful for you sharing your dear Mother with us, as she made us feel part of her family, with our children, grandchildren, brothers & sisters, all loving her as well. We have been so blessed to have had Laverne in our lives these past 16 years! She became my adopted Mom, & she even claimed being Grandma to our little poodle, JP. They loved each other so, it was a joy to see! She was so kind, so generous & caring to others, a beautiful woman, not only on the outside, but within. In her life, she truly was the woman whose value was greater than rubies.. or any other 'treasure' on this earth. She was priceless! We are so thankful for so very many cherished memories she has left us with, preciousy keeping her with us, alive in our hearts. Always ~ Virginia & Doodle*
