“ *Norma was an amazing person with a big heart. I had to the pleasure of getting to know Norma while I worked at Artesian Nursing Home. She always had a smile on her face and always had something to tell you. We always had a great time together as we laughed and played around. We were 2 giant goofballs together and she always loved to share her hugs with everyone she met. This hurts my heart so much, but I know she's in a much better place with no more pain, reconnecting with her best friend again.*
